This book is dedicated to the memory of

Professor Alan Godfrey Johnson

## Contents

<b>Acknowledgements</b>	vii
<b>Background and Design of OSCEs</b>	viii
<b>How to use this book</b>	xx
<b>Abbreviations used</b>	xxi
<b>Gastrointestinal system</b>	1
General gastrointestinal history	2
Presenting complaint - abdominal pain	4
Presenting complaint - dysphagia	7
Presenting complaint - dyspepsia	9
Presenting complaint - vomiting	10
Presenting complaint - jaundice	12
Presenting complaint - diarrhoea	14
Presenting complaint - constipation	16
Presenting complaint - rectal bleeding	18
Examination of the GI system	20
Digital Rectal Examination	25
Examination of a Groin Hernia	27
Examination of a patient with acute abdominal pain	29
Gastrointestinal Bleeding	32
Alcohol History	34
<b>Cardiovascular system</b>	36
General cardiovascular history	37
Presenting complaint - chest pain	39
Presenting complaint - palpitations	42
Presenting complaint - intermittent claudication	44
Examination of the cardiovascular system	46
Examination of the precordium	50
Peripheral vascular examination	54
<i>Top Tips:</i> Understanding ECGs	57
Tachycardias	64
Bradycardias	71
<b>Respiratory system</b>	77
General respiratory history	78
Presenting complaint - cough	80
Presenting complaint - shortness of breath	83
Examination of the respiratory system	85
<i>Top Tips:</i> Looking at Chest X-rays	89
Inhaler Technique	112
Peak Flow Measurement	113
<b>Neurological system</b>	114
General neurological history	115
Presenting complaint - headache and facial pain	118
Presenting complaint - sudden onset weakness	120
Presenting complaint - collapse	122
Examination of the cranial nerves	125

Examination of the lower limbs	130
Examination of the upper limbs	133
Assessment of cognitive state	136
<i>Top Tips:</i> Neurological Examination	137
<b>Musculoskeletal system</b>	141
Presenting complaint - joint pain	142
Presenting complaint - back pain	145
Examination of the musculoskeletal system (GALS)	147
Examination of the hands	150
Examination of the hip	152
Examination of the knee	154
Examination of a patient with back pain	156
<b>Endocrine system</b>	159
General endocrine history	160
Suspected diabetes mellitus	164
Suspected thyroid dysfunction	166
Examination for hypothyroidism	168
Examination for thyrotoxicosis	169
Examination of a goitre	171
Examination of a diabetic foot	173
<b>Genitourinary system</b>	175
General urinary tract history	176
Presenting complaint - haematuria	179
Sexual medical history	181
Presenting complaint - vaginal discharge	183
<b>Communication</b>	185
Informed Consent	186
Explaining a Procedure	188
Breaking Bad News	189
Consent for a Post-Mortem	191
Drug Adherence	193
<b>Cardio-Pulmonary Resuscitation</b>	195
Adult CPR	196
Paediatric Basic Life Support	198
<b>Procedures</b>	199
Handwash and Scrubbing Up	200
Arterial Blood Gases	203
Measuring Blood Pressure	204
Intravenous Cannulation	206
Venepuncture	207
Male Catheterisation	208
Routine Urinalysis	210
<b>General Topics</b>	211
Confirmation of Death and Death Certification	212
Dermatological Examination	214
<i>Top-Tips:</i> Lymph Node Examination	216
Breast history	217

Breast Examination	219
Preoperative Assessment	222
Examination of an Ulcer	224
Examination of a lump	226
<i>Top-Tips: Looking at fracture X-Rays</i>	228
<i>Top-Tips: Assessment of the acutely ill patient</i>	233
<b>Psychiatry</b>	248

<i>Top-Tips: Antenatal Obstetrics Examination</i>	280
<b>Paediatrics</b>	282
Neonatal examination	283
Paediatric history	287
<b>References and suggested reading</b>	290

## Acknowledgements

The following are experts in their own fields of medicine and have read and amended the contents of this training manual. Their contribution is gratefully acknowledged.

**Mr Roger Ackroyd**

Consultant Surgeon, Sheffield Teaching Hospitals.

**Dr John West**

Consultant Cardiologist, Sheffield Teaching Hospitals.

**Dr Rod Lawson**

Consultant Respiratory Physician, Sheffield Teaching Hospitals.

**Dr Andy Gibson**

Consultant Neurologist, Sheffield Teaching Hospitals.

**Dr Mike Snaith**

Senior Lecturer in Rheumatology, Sheffield Teaching Hospitals.

**Dr Derek Cullen**

Retired Consultant Endocrinologist, Sheffield Teaching Hospitals.

**Dr Nusrat Mir**

Consultant Psychiatrist, Sheffield Care Trust.

**Miss Fiona Kew**

Consultant Gynecologist, Jessop Wing, Sheffield Teaching Hospitals.

**Mrs Helen Till**

Senior Resuscitation Officer, Sheffield Teaching Hospitals.

**Mr Senathirajah Muruganirajah**

ENT Surgeon, Sheffield Teaching Hospitals NHS Trust

**Mr David Squirrel**

Consultant Ophthalmologist, Sheffield Teaching Hospitals NHS Trust

**Miss Julia Dicks**

SpR in Breast Surgery, Doncaster Royal Infirmary.

**Dr Gail Moss**

Consultant Paediatrician, Sheffield Childrens Hospital.

**Dr David Moore**

Consultant Radiologist, Sheffield Teaching Hospitals NHS Trust

**Dr Jon Silversides**

SpR in Anaesthesia, Royal Victoria Hospital, Belfast.
